At Pulsatio, we specialize in tailored meditation, mindfulness, and art coaching. We also specialize in meditation for people who have experienced trauma and/or are in recovery from addiction. What are you hoping to get out of our time together? Do you have any specific goals?

Please note that I am **not** a licensed therapist. Do you have any mental illness conditions that need to be treated, are being treated, or have been treated in the past? If so, please list below. Listing conditions will not exempt you from coaching, but it will help me to get to know you and your needs better.

Is there anything else you would like to disclose or tell me about yourself so that I can get to know you better?

Initial intake meetings cost only \$25, which is a non-negotiable price. Every meeting following the intake is \$100. Are you currently experiencing any financial difficulty? If yes, please describe below.
